Attention: Mr. Dennis Degner

Gentlemen:

The EPA Notification Form 8700-12 (6-80) which was filed for Chevron Chemical Company's Council Bluffs Plant (EPA I. E. No. 1AD000152991) contained a checkmark in Box C of Item VI. It was anticipated that more than 90 days would be required to accumulate an economic truckload of hazardous waste.

We have now determined that the 90-day time limit will not be exceeded. The facility will not require a permit for storage of hazardous waste, and we do not intend to submit a permit application for this plant.

Please amend our previous notification accordingly.

Yours truly,

D. F. Searle
